

## Medical Equipment Donation needs

Friends of the Lebanese Franciscan Sisters of the Cross (FLFS) Lebanon supports the life-saving mission of the Franciscan Sisters of the Cross, who serve the most vulnerable across Lebanon without distinction of race, ethnicity, or religion. Each day, they care for thousands of patients, guide thousands of students, and sustain the livelihoods of over 2,000 families through their work.

As part of our commitment to supporting the services provided at Christ the King, particularly for elderly residents and individuals living with Alzheimer's and related conditions, we are currently in the critical phase of furnishing and equipping the facility. In this context, we are reaching out to request your support in providing essential medical equipment necessary for their daily care and well-being.
