About Harvey Greenacre

A new kid in Jenny's class. Harvey is quiet, unassuming and keen to make friends. His parents Kate and Tim Greenacre, and his older brother, Ollie, have recently moved into the area. Harvey has a basset-beagle called Bonza that has a habit of escaping from his back garden. Dylan rescued Bonza once and after being licked all over by the hound, they became firm friends. He often asks Mr Greenacre if he can borrow Bonza for walks.
