EVENT OVERVIEW

If you or someone you love struggles to hear clearly—even with hearing aids—this educational event is for you. Join our expert team to learn whether a cochlear implant could be the right next step in your hearing journey.

WHAT YOU'LL LEARN

- Signs that hearing aids may no longer meet your needs
- How cochlear implants work and who may be a candidate
- Latest technology and options from leading implant manufacturers
- What to expect during evaluation, surgery, activation and follow-up care
- Q&A with existing implant users, hearing professionals and manufacturer specialists

Reserve Your Spot*

*Registration is required for each guest. Please register under your own name, and be ready to present ID upon check-in.
