A Spooktober Success!

We're thrilled to share the spine-tingling success of our recent **Spooktober** event! This year, our incredible AVENS Team truly outdid themselves, crafting a hauntingly delightful experience that brought our residents and the community together for a night to remember.

"WOW. Ready for the numbers... 379 total participants. That's 125 more than last year"

Frances Marshal, AVENS Chief Nursing Officer texting me right after the event

Transforming the Barb Bromley Administration Center

With the theme of classic scary movies in mind, our dedicated staff rolled up their sleeves and transformed the Barb Bromley Administration Center into an enchanting labyrinth filled with thrilling adventures. The creativity and effort put

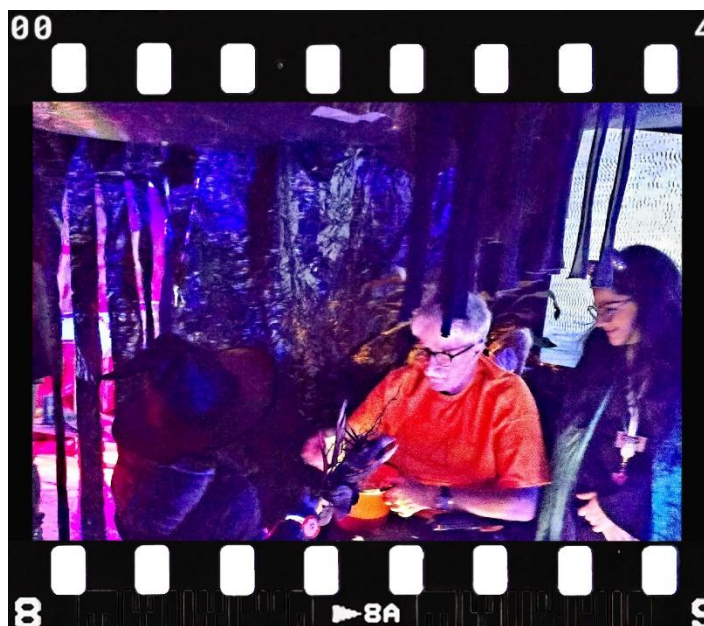

forth by our team were nothing short of magical (or should we say, spooky?)!

Record-Breaking Participation

Thanks to the hard work of our staff, the enthusiastic participation of our residents, and even the involvement of some of our residents' families, we welcomed an astonishing **379 participants** this year—**125 more than last year!** It's heartwarming to see families enjoying this unique community event within the warm and safe environment of our facility.

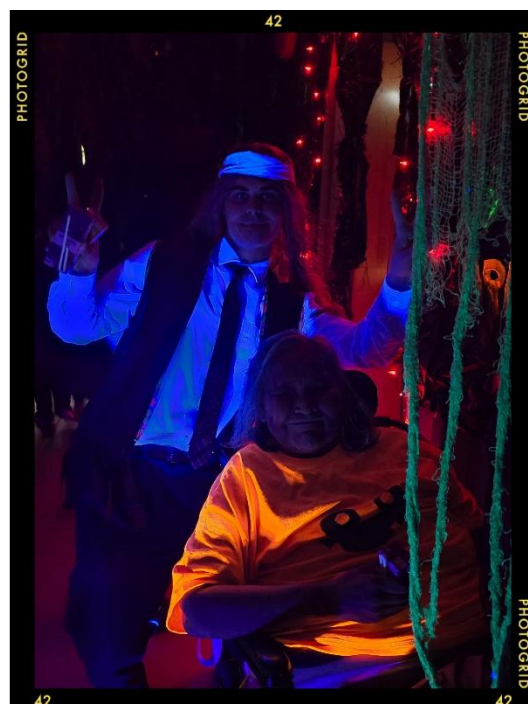

Part of our Team preparing....

A Special Thank You

A huge shoutout and sincere thanks to everyone who volunteered their time and talents to make

Spooktober a success. Your spirit and dedication are what make AVENS such a special place. We couldn't have done it without you!

Some folks don't need captions, it shows on their face!

We look forward to welcoming everyone back for more spooky fun next year! Until then, keep the spirit of community alive!

You know you made it big in Hollywood, when you very own head is in a pickle jar! LOL!

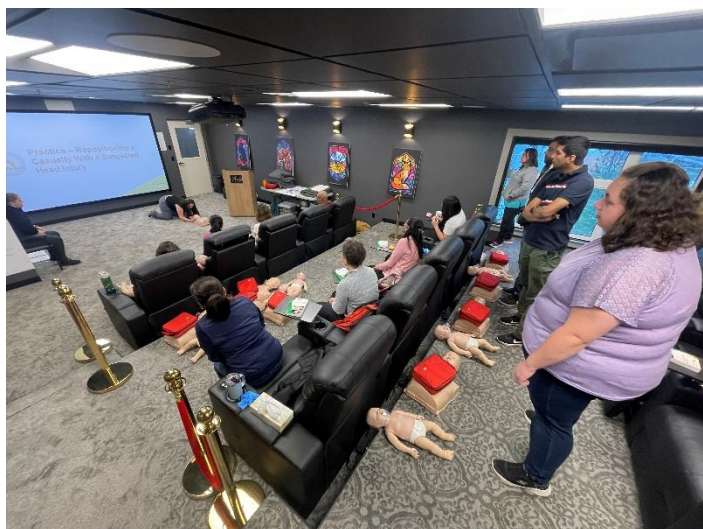

Lifesavers In Action

This week, I want to take a moment to shine a spotlight on two incredible members of our team who have gone above and beyond to enhance our workplace safety: **Sara Fullerton**, our Chief Financial and Technology Officer, and **Emma Lee-Marks**, our talented Unit Clerk!

A Successful First Aid Course

Together, they organized a fantastic **St. John's Ambulance First Aid course**, held right in our very own Pavilion Theatre. It's always a treat to see our staff come together for training that not only adds to their skills but also fosters an opportunity to share a culture of safety between all our departments.

The peaceful line up of willing volunteers

Emma, can be seen in the middle picture on the far right. She taught many sections of the course

Thank you, Sara and Emma, for your hard work and commitment to keeping our community safe. Here's to many more successful training sessions ahead

“AVENS Touch” Cleaning Service Is Here

We have some exciting news to share this week that will enhance the living experience for our independent housing residents! We're thrilled to announce the launch of our newest aging-in-place service: **AVENS Touch – Your home, Our touch, You save!**

A Special Cleaning Service Just for You!

AVENS Touch is a specialized home cleaning service designed exclusively for our tenants on the AVENS campus.

We understand that a clean and tidy home is essential for comfort and well-being, and we're here to help make that happen!

Building on Our Community Spirit

This is the second of three services we're introducing, following the success of **AVENS Eat**, which opened our dining room options earlier this spring.

With **AVENS Touch**, we're adding even more value to what makes senior community living at AVENS truly special.

Choose What Works for You

With a variety of cleaning options available, most services start at just **\$90**. Whether you need a deep clean or just a little sprucing up, we've got you covered.

Launching November 3, 2025!

Unlocking Convenience—Our New Key Fob Launch

We're thrilled to share some exciting updates that will enhance your experience here at AVENS! We are officially launching our **new key fob program**, complete with a state-of-the-art intercom system and automatic doors!

A BIG Thank You

First and foremost, I want to extend a huge thank you to our Pavilion residents for your incredible patience while we sorted out some delays related to supply chain and technical issues. Your understanding and support have made this journey so much smoother!

What to Expect on November 4th, 2025

Mark your calendars for **November 4th, 2025!**

On this day, we'll be rolling out these fantastic new features. You'll receive all the details on how to use your new key fobs and the intercom system. We promise it will be worth the wait!

Special Shoutout to Tyrone Walsh

I would also like to give a special shoutout to **Tyrone Walsh**, owner of **Lupo Fire & Security Limited**. Without his expertise and dedication, this project would not have been a success. Thank you, Tyrone, for your invaluable support!

Stay Tuned!

We're committed to keeping you updated every step of the way, so stay tuned for more information on how to navigate these new features!

Thank you for being a vital part of our AVENS community. We can't wait for you to enjoy the added convenience and security that the key fob program will bring to your daily lives!
