Chicago Pet-Safe Home Cleaning Checklist

Pet Zones

☐	Identify every sleep and resting spot.
☐	Mark bedrooms that must stay pet-free.

Cleaning Equipment

☐	Check the vacuum seal and HEPA filter.
☐	Vacuum couch seams and cushion undersides.
☐	Remove hair before washing pet bedding.
☐	Confirm care labels before steam or moisture.
☐	Create an entry mat and paw-wipe station.

Cleaning Products

☐	Read every cleaner label and never mix products.
☐	Keep pets out until the label says re-entry is safe.

Food & Litter Areas

☐	Use a dedicated brush for bowls and pet items.
☐	Clean the feeding mat and splash area.
☐	Remove litter waste daily.
☐	Store litter tools away from food tools.

Accidents & Moisture

☐	Record where accidents reached padding or seams.
☐	Call a veterinarian for repeated unexplained accidents.
☐	Treat every pet when fleas are present.

Dry wet materials within 24–48 hours when possible.

Maintenance Plan

Assign daily, weekly, monthly, and seasonal tasks.

Post veterinarian, poison-control, and building contacts.

Schedule help for lifting, stairs, or whole-home buildup.
