OUR IMPACT IN THE YUKON

BGC Yukon (BGCY) supports children, youth, and families with a full range of programs from age one to eighteen. Their focus is on meeting young people where they are and providing safe, inclusive spaces for growth and connection.

Big Brothers Big Sisters Yukon (BBBSY) offers mentoring programs that match youth with positive adult role models. These relationships help build confidence, improve school outcomes, and foster strong community ties.

Together, BGCY and BBBSY support over 980 youth daily, serve more than 58,000 meals a year, and provide 74,000 hours of adult support. Every dollar invested returns \$23 to the community, making your support a meaningful investment in Yukon's future.

SPONSORSHIP COMMITMENTS

BBSY & BGCY prides themselves on doing things differently, and this golf tournament is no exception. Hole sponsors are invited to engage participants in a fun and interactive way that leaves a lasting impression of both the event and your brand. While it is a commitment, BGCY and BBBSY will ensure it is worth your time and investment.

Funds raised help support youth with holistic care from infant to adulthood, continuing our mission to meet kids where they are.

Included in this package are all opportunities to join and support for all our community members. The package also includes registration forms and sponsor sheets you can use and share with your whole community!

SILENT AUCTION

BGCY and BBBSY are seeking silent auction items to help boost attendance at the event.

In the past, we accepted a wide range of donations, but this year we are doing things differently. We're focusing only on local businesses and items that reflect Yukon life and serve a meaningful purpose. We're looking for items that a Yukoner would truly use and that showcase your brand in an authentic way. We know this approach may come with limitations, but our team is here to help with ideas and support if you have questions or need suggestions.
