

Hello!

My name is Hannah Dealy, and I am so happy to be teaching your child this year!!! A little bit about me: I was an assistant at Holland Hall before teaching 3rd grade in Broken Arrow. I returned to Holland Hall last year and am starting my 2nd year in 3rd grade!! I am from Muskogee, Oklahoma. I went to college at Northeastern State University where I received my Bachelor of Science in Early Childhood Education. I love reading, hiking, plant shopping, and watching the sunset.

This is a big year for third graders. Your child will develop independence in every area of their learning and development. We will foster this in the classroom throughout the year. Your child will have many opportunities to learn and grow independently, in partnerships, in groups, and as a class member. As your child becomes responsible for his/her learning, he/she will be introduced to various materials and strategies to use in the classroom. Each student will be responsible for his/her own materials and held accountable to use them appropriately.

Looking forward to a great year!

Hello!

My name is Lynne Lopez, and I am so happy to be teaching your child this year. This is my 38th year of teaching and my 15th year at Holland Hall. I have taught 3rd, 4th, and 6th grades during my career, but I have been teaching 3rd grade (my favorite!) for the last 29 years. I am from Tulsa, Oklahoma and graduated from Nathan Hale High School. I went to college at Oklahoma State University where I received my Bachelor of Science in Elementary Education K-8. My husband, Patrick, graduated from Edison High School. He attended Oklahoma State University and graduated from the University of Delaware. We spent 22 years living on the East Coast and moved back home in 2010. All three of our children graduated from Holland Hall. My son, Patrick, graduated from OSU and has been working and living in Dallas for seven years. My daughter, Katie, graduated from OSU and recently graduated from OU nursing school. My youngest daughter, Sophie, will be a senior at OSU this fall.
