Dear Holland Hall Parents:

We are required by law to inform you of the following notice:

The U.S. Environmental Protection Agency has required that all public and private schools inspect all school buildings for the presence of asbestos, and further to develop a management plan which identifies, defines procedures for managing, and schedules reinspection of all asbestos present in the school.

The management plan may be reviewed at your child's school during normal working hours.

All previous asbestos inspections have found Holland Hall to be safe and in compliance with all local, state and federal laws and regulations. For further information, please contact the Facilities Office at (918) 481-1111, ext. 8197.

Sincerely,

J.P. Culley
Head of School
