Why choose Uplyft?

40+ Years Strong

Join a trusted network that's been backing educators in WA for generations.

Not-for-Profit, For You

We reinvest into support, resources and outcomes, not shareholders.

Know What You Can Earn

Real earning potential, clearly mapped, so you stay in control of your income.

Quality Without the Stress

We guide you through compliance, so you can focus on the children, not the paperwork.

Experts In Your Corner

A dedicated team across safeguarding, development, WHS and pedagogy, when you need them.

Child Safety Comes First

Work with a recognised, accredited organisation that puts children at the centre of everything.

Support That Fits You

No one-size-fits-all, get guidance tailored to how you want to run your service.

Keep More of What You Earn

Low levies and no unnecessary costs eating into your income.

No Hidden Surprises

Simple, transparent fees, so you always know where you stand.

Tools That Make It Easy

We cover your subscription to digital software for enrolments, attendance, curriculum and menus.
