

Services & Programs AT UPLYFT GREAT SOUTHERN

EARLY CHILDHOOD APPROACH

The Early Childhood Approach (ECA) program is designed to support children under nine years of age who have a disability or under six years of age who may have a developmental delay or concern.

Ph: 1300 969 645

EARLY LEARNING

Dedicated to providing your child with the perfect blend of safety, fun, and interactive learning experiences. From making friends to exploring their curiosities and developing a genuine love for learning, we're here to support every step of your child's journey. With our focus on cultivating essential skills, we aim to prepare them not just for school, but for life.

Ph: 08 9895 5585

INCLUSION SUPPORT

Supporting early education and care providers to create inclusive services.

Ph: 08 9245 2441

IN HOME CARE SUPPORT AGENCY

In home care is a government-approved national program that helps eligible families access flexible child care in their own homes when other options are not available or appropriate.

Ph: 1300 164 202

COMMUNITIES FOR CHILDREN - PLANTAGENET

Communities for Children supports families in Plantagenet with children under 18 to build stronger relationships within their home and community.

Ph: 08 9843 0077
