

Lighting The Way...

to world-class
palliative care.

PPCC is building a future where all children with life-limiting conditions have access to palliative, hospice and end-of-life care, while their families receive compassionate guidance and support.

Working together for medically fragile children

PPCC provides education and resources to families, volunteers and medical professionals caring for children with life-limiting illnesses, including:

Webinars

PPCC offers the monthly PPC Webinar Series and the Deeper Dive Webinar Series that spotlight palliative care experts who share knowledge, experience and innovation in providing pediatric palliative care. Archived webinars can be purchased for education and training.

Firefly Chats

PPCC's Firefly Chat is a free series of interactive virtual conversations where parents/caregivers and medical professionals discuss the challenges they face and share information and resources for managing those challenges.

Toolkits

PPCC Toolkits guide families and caregivers through the many stages of working with children with life-limiting illnesses.

- Caring Conversations
- Creative Expressions: Art, Music, and Play
- Sibling Support
- Sibling Grief and Bereavement
- Self-Advocacy
- Care Plan Book

Newsletters and Briefs

Keep up to date with PPCC resources and events created for those working with and caring for children with medical complexity.

Advocacy

PPCC works to advance systemic change through state and federal legislative action and advocacy. Our ongoing goal is to advocate for improvements to pediatric palliative and hospice service and reimbursement.
