

**1**

## Before you get started:

### Choose a teacher to appreciate.

- What's the teacher's name?
- What do they teach?

### Think of 3 things to celebrate about the teacher

- How long have they been teaching?
- Share a favorite memory
- List a word or two that describes them

### Decide what to show on your screen

- Have a picture of this teacher? Pull it up!
- A video of a favorite lesson? Show it!

**2**

## Make your video!

### Get Set Up

- Choose a desktop or browser tab recording if you have things on your screen to share
- Enable your microphone so that everyone hears your praise
- Enable drawing tools for some extra cool features

### Celebrate with drawing tools!

- Add stickers
- Use the fireworks mouse

### Top it off with the Editor

- Add text boxes for shout outs
- Throw in another video

**3**

## Share & let the world know!

### Try a QR code

- Print QR codes for all your Teacher Appreciation Week videos & create a gallery wall to share their awesomeness!
