WHY KEEP GOOD RECORDS?

MAKE BETTER DECISIONS
Accurate records help you spot trends, solve problems, and plan for the future.

INCREASE PROFITS
Track costs, production, and performance to find what works and improve efficiency.

IMPROVE ANIMAL HEALTH & WELFARE
Monitor health, breeding, and nutrition to keep your animals healthier and more productive.

STAY ORGANIZED & PREPARED
Be ready for audits, loan applications, insurance, and other important needs.

BUILD A STRONGER OPERATION
Good records today build a more resilient, profitable farm tomorrow.

PROTECT YOUR INVESTMENT
Document your work, your progress, and the value you're building every day.

RECORDING TIPS

- Write clearly and be consistent.
- Record information as it happens.
- Be honest and accurate.
- Keep records up to date.
- Review your records regularly.
- Use your records to make informed decisions.

You care for your animals every day.
Good records help you care for your farm's future.
