What does a CMA Course have to offer?

Pre-Junior Course

The Pre-Junior course is an introduction to music designed for 3-year-olds. We offer two different 9-week sessions: a "Fall theme" session and a "Spring Theme" session.

Junior Course

Our primary emphasis at CMA is our Junior Course. This is a beginner course designed for the preschool and kindergarten-aged child. This is the prime age to musically train a child's ear. The duration is three and a half years. Juniors progress to a Graduate Course.

Intermediate Course

We also offer a beginner course for 1st, 2nd, and 3rd graders called the Intermediate Course. This is a two and a half year program. Intermediates progress to a Graduate Course.
