### Rooms categories

- The Beach Villas are beachfront and offer direct access to the ocean.
- The Coral Villas are identical to the Beach Villas but with no direct access to the beach.
- The Coral Villas and The Coral Manor are located on the edge of coral rocks and are sunset oriented, allowing our guests to enjoy the magnificent view when the sun goes down. Because of the rocks and the access to the sea by stairs, children under 12 are not allowed for safety reasons. For the same reasons the "Coral" villas/Manor might not be suitable for some elderly guests.
- Villa n°16: the unclassifiable! The Villa 16 is nestled between coral rocks and has direct access to a lovely little beach at low tide. It's not really a Coral Villa and it's not really a Beach Villa. In a word, it is unique! Much appreciated too: the nearby Spa, Lighthouse-restaurant and Gym.

### Rooms equipment

- Shaded beach pavilion with loungers
- Private deck with daybed and twin hammocks
- Fully stocked mini-bar
