General Information

It is your responsibility to respect the administrative and custom formalities including the sanitary requirements inherent to your trip. You should always travel with a valid **passport**. Depending on the visited countries, you may need a **visa** (also in transit) and / or a mandatory **vaccine**. As customs and health formalities are subject to change, it is advisable to check with the competent authorities or with your Executive travel agent. For the latest health regulations you should consult the website www.healthytravel.ch. If you fail to follow the requirements of the countries you intend to visit, the penalty applied by the government will be at your expense. We also remind you that airline tickets issued at special fares can neither be modified nor refunded without penalty. In certain cases changes and/or refunds are totally prohibited.

Children under the age of 18 travelling without both parents are required in some countries to present a signed authority to leave or enter the country.

Ecological information

Calculated average CO2 emission is 1,393.96 kg/person
