Generally all work is done in 4-13 months unless otherwise noted

All projects are charged state and local tax which is 7%. Balance is due when you pick up your trophy.

**Customer Satisfaction:**

Great Plains Taxidermy was established in 1994. My focus has always been to produce a superior product at a fair price. As a result, I have seen my customer base increase over the years and it continues to grow by word of mouth. If you are looking for a full service taxidermist that will take the extra time to make sure your trophy is special and that it gets back to you in a reasonable time frame, at a fair price, then give me a call.
