

## Malt solution now available on SAP® Store

*By integrating with SAP Fieldglass, Malt's freelance management platform enables clients to work at scale with freelancers.*

**Paris, July 17, 2025** - Malt today announced that its leading highly skilled freelance management [platform](#) is now available on [SAP® Store](#), the online marketplace for SAP and partner offerings. Malt integrates with SAP Fieldglass and delivers enhanced efficiency, control, and compliance for contingent workforce management to customers.

*"The availability of Malt on SAP®Store marks a significant step in our mission to simplify and optimize how businesses engage with freelance talent," said Vincent Huguet, CEO of Malt. "As freelancing is growing and becoming a substantial part of the external talent pool, it is essential to connect to purchasing department core solutions, and specifically the leading VMS global one. By seamlessly integrating with SAP Fieldglass, we empower organizations to maintain full control over their contingent workforce, centralize data, and automate critical workflows."*

### Malt's integration with SAP Fieldglass allows clients to:

- **Centralize processes & data:** Maintain full control of contingent workforce management and enhance VMS reporting scope with centralized data.
- **Faster workflows with zero errors:** Enable faster, easier collaboration between hiring managers and freelancers, as they can connect directly; reducing administrative burden and billing errors with automatic workflows.
- **Smooth & seamless user experience:** Streamlined workflows from quote approval to timesheet submission.
- **Enhanced security & compliance:** Protect the client's organization with comprehensive transactional and labor law compliance.

SAP Store, found at [store.sap.com](https://store.sap.com), delivers a simplified and connected digital customer experience for finding, trying, buying and renewing more than 2,300 solutions from SAP and its partners. There, customers can find the SAP solutions and SAP-validated solutions they need to grow their business. And for each purchase made through SAP Store, SAP will plant a tree.

Malt is a partner in the SAP PartnerEdge® program. The SAP PartnerEdge program provides the enablement tools, benefits and support to facilitate building high-quality, disruptive applications focused on specific business needs – quickly and cost-effectively.
