We were incurring a ton of fees for our past fundraising platform and Zeffy has helped us receive so much more of our donations.

Amy R
Rebuilding Together Metro Chicago

Zeffy has been invaluable in helping me track our donors, sales, events, and revenue in one spot. The coolest thing about Zeffy is it really is free!

Glory to Glory Women's Mentoring Ministry

Everything about Zeffy suits us starting with (of course, NO fees) but also the ease of use and customer experience as well as their client support!!

Zeffy is the #1 rated platform by nonprofits in the US

When making a donation to you, donors can choose to also leave a tip for Zeffy. If they don't, your nonprofit still keeps 100% of the money. A bit more than half of donors choose to tip. This is enough to cover our costs and re-invest in Zeffy's features and new solutions.
