

FEBRUARY 11-12, 2026 | CONVENE, ARLINGTON, VA

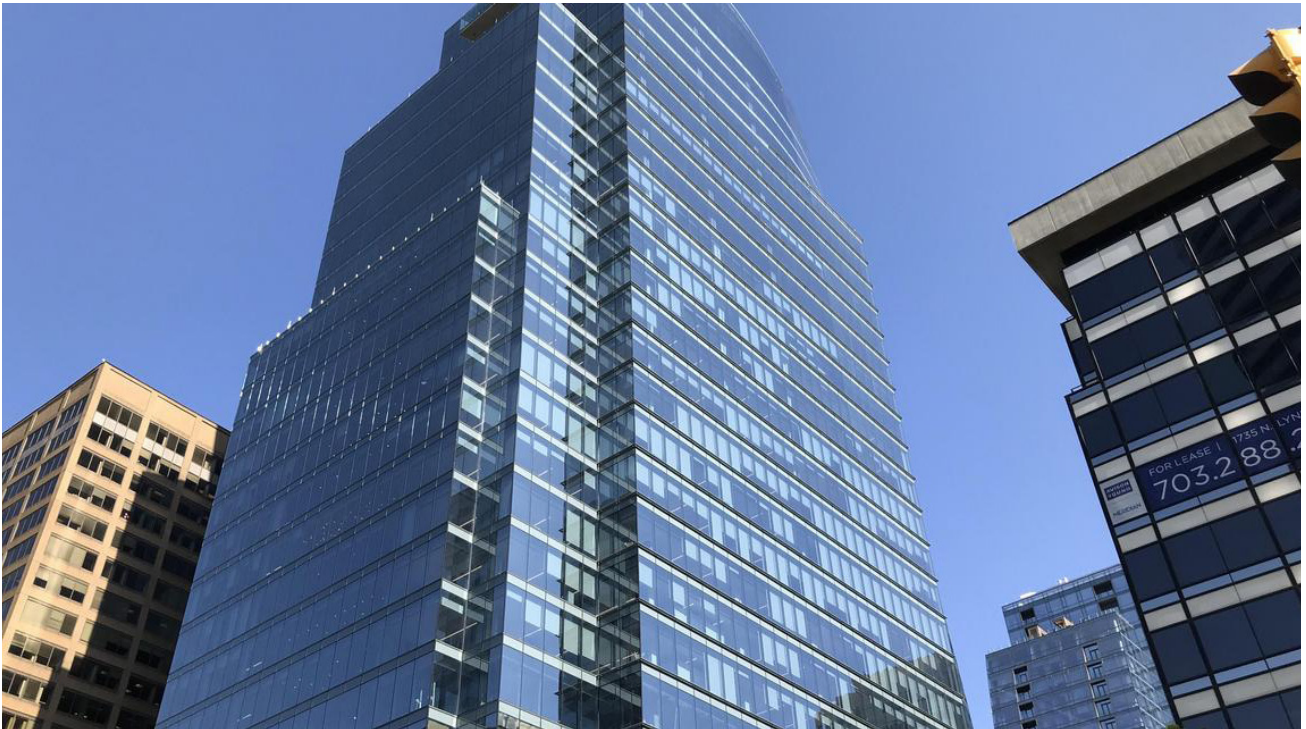

Annual DHIS2 Symposium

Participant guide

Organized by

UiO : **HISP Centre**
University of Oslo

The venue

Convene (located in Rosslyn Center)
1201 Wilson Blvd (29th and 30th floor)
Arlington, VA 22209

We are excited to announce the 10th Annual DHIS2 Symposium to be held in-person on February 19-20, 2025.

The venue is located 5-10 minutes away from Washington, D.C., and historical Georgetown - only separated by the Francis Scott Memorial Bridge. With easy subway access you will find the venue convenient and central - you are just a few stops away from exploring Washington, D.C., and Arlington.

To ensure the best possible rate, we encourage you to book early.

Visa

It is the sole responsibility of the delegate to determine whether they need a visa and applying for their own visa. Non-US citizens who require a visa to enter the US should start the visa application process early to allow sufficient time for the visa application process. The visa processing time has increased post Covid-19.

If you are residing in Africa or Asia and need a visa to enter the US, we recommend starting the visa application process 5-6 months prior to the event date.

Invitation letter

Participants requiring an official invitation letter can request one by email. Participants must first register for the DHIS2 Symposium. If you need an invitation letter to help facilitate the visa application process, email us at events@baosystems.com and provide the following information:

- Full name as stated in your passport
- Passport number
- Nationality
- Country of residence
- Job title
- Organization name

Insurance

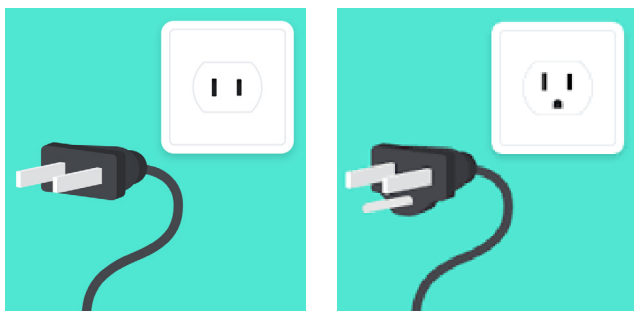

The DHIS2 Symposium registration fee does not include or cover insurance.

Weather

The month of February in the Washington, D.C., area tends to be cold, however, it is usually warmer towards the end of the month. Overnight low temperatures are likely to be around mid-30s F (+2C) towards the end of the month. Afternoon high temperatures tend to be in the lower 50s F (+10-11C) later in the month. Check the weather forecast before traveling and pack accordingly.

USA travel adapters

Socket/plug/charging

In the US, there are two associated plug types, types A and B. Plug type A is the plug which has two flat parallel pins and plug type B is the plug which has two flat parallel pins and a grounding pin. US
