WORK EXPERIENCE

Graphic Designer at Amazon (Contract)

June 2025 - December 2025

- Designed and produced over 180 vector graphics and over 80 animations
- Improved and modernized Amazon instructional graphics, ensuring quality and updating for diversity and inclusion
- Collaborated cross-functionally with subject matter experts to ensure content accuracy

Graphic Designer at WE Communications

July 2022 - September 2024

- Developed WE's video brand identity and guidelines, as well as custom assets for company-wide usage
- Led brand design and refresh for WE's primary research campaign, creating collateral, presentations, social assets, and animations
- Concepted and created a majority of corporate social and web posts, on tight turnaround, often within one or two business days

Motion Designer (Freelance) Make it Matter LLC

July 2021 - December 2021

- Created various assets for Intel's Presentation for the 2021 Gaming Developer's conference, viewed over 80,000 times
- Worked efficiently under a quick timeframe, many of the assignments needed to be completed within one or two business days
- Created various motion graphics assets for Intel's Education platform and presentations
