Subscription Options

Messenger Pigeon is your all-in-one learning companion that captures lectures, creates accurate transcripts, along with clear, concise human summary notes—all from your laptop or mobile device. Designed with accessibility in mind, it helps you stay organised and confident throughout your learning. In addition all your data is securely stored on Canadian servers, ensuring your information stays private and protected.

Process for BSWD Applicants

1. BSWD Quote Tool

Use the **BSWD quote tool** to get a custom quote and provide us with your class schedule.

2. Submit Your Application

Using the quote provided, complete Page 2 of the BSWD application and submit it for approval.

3. Grant Approval & Accessing Your Subscription

Once your funding is approved and you're ready to get started with Messenger Pigeon. Get in touch at notes@habitatlearn.com, and you will be signed up by our team.

4. Invoice & Fund Handling

Upon sign up you will be issued with a receipt.

5. Quality Assurance

Please report any concerns to us (either using the feedback link provided in each set of your notes or by email). We have a dedicated QA team reviewing notes, but your feedback is valuable.

Please note, these funds are only meant for the approved purpose of the grant and not for other expenses.

Important Note:

Your school's Accessibility Services Department may have additional steps you are required to follow as part of their internal BSWD process. These steps may modify or add to the process listed above. Please ensure you check in with your school's Accessibility or Disability Services Office to confirm their specific requirements.
