

WA STATEWIDE FAMILY NETWORK

DEDICATED SPACE FOR PARENTS & CAREGIVERS

This virtual meeting is a dedicated space for parents and caregivers of children, youth, and young adults who experience behavioral health challenges aimed at amplifying your voices and lived experiences to drive meaningful system change. This meeting will provide updates on developments within the children and youth behavioral health community across Washington State, facilitate discussions on policy and system gaps that should be prioritized by the WA Statewide Family Network. These priorities will be forwarded to relevant workgroups or committees to help inform action plans.
