

Telling Your Story!

Introduce yourself and your identity.

Describe the challenge or barrier clearly.

Share a personal example of the challenge.

Describe your solution to the challenge/barrier.

Ask the person to commit or agree with your solution.

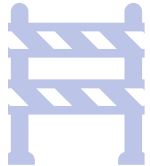

Thank the person for their time.

Introduce yourself and your identity.

My name is Emma and I live in District 27. I'm an autistic self advocate. I work at the library for 15 hours a week and I love my job.

Describe the challenge or barrier clearly.

Many important services like personal care or job coaching could lose services because of our budget issues.

Share a personal example of the challenge.

If job coaching or personal care services are cut I will not be able to keep my job at the library, or get the care I need for my life!

Describe your solution to the challenge/barrier.

We have to protect funding for all disability services in Washington State.

Ask the person to commit to or agree with your solution.

Can you commit to no cuts for Disability services this session?

Thank the person for their time. Thank you for meeting with me today
