

## **PPR 2025 Impact Report**

**What we did**

**What changed**

**What it means going forward**

# Why This Matters

**Beyond compliance**

**Are we making a difference?**

**Grounded in real outcomes**

# **The Landscape**

**Long waitlists**

**Workforce shortages**

**Behavioral health gaps**

**Uneven access across Washington**

## **What This Means**

**People waiting years for services**

**Services exist but are not staffed**

**Gaps between systems**

**Inequities across communities**

# Where the Council Showed Up

**Systems Together**

**Advocates & Leaders**

**Access & Equity**

**Policy & Systems**

# Systems Together

- **Bridge Forward**
- **HCBS Quality Committee**
- **DD Network partnerships**
- **Behavioral health coordination**

# Why Systems Work Matters

**Systems don't naturally align**

**People navigate complexity**

**Coordination creates clarity**

# **Systems Impact**

# **Advocates & Leaders**

## **Advocacy Partnership Project**

**SAIL**

**Allies in Advocacy**

**Leadership development**

# **Why Advocacy and Leadership Matter**

**Change requires voices**

**Lived experience drives policy**

**Building long-term influence**

# Advocacy Impact

**723 advocates**

**149 legislators engaged**

**18 bills passed**

# **Access & Equity**

**Informing Families**

**Multilingual outreach**

**DEI work**

**Public health accessibility**

# **Why Access Matters**

**Systems must be navigable**

**Information = access**

**Equity requires intention**

# **Access Impact**

**12,000+ people reached**

**13,000+ engagements**

**500+ events**

# **Policy & Systems**

**Legislative advocacy**

**Medicaid Matters**

**Justice system work**

**Community living**

# **Why Policy Matters**

**Policy shapes systems**

**Funding drives outcomes**

**Advocacy influences direction**

# **Policy Impact**

**\$50M for housing**

**Statewide Medicaid advocacy**

**System gaps elevated**

# Impact Snapshot

**50+ stakeholders**

**723 advocates**

**149 legislators**

**12,000+ people reached**

**\$50M investment**

# Barriers

**Workforce shortages**

**Limited capacity**

**Complex coordination**

**Equity gaps**

# What We Do With Barriers

**Design around constraints**

**Prioritize impact**

**Focus efforts strategically**

# Connecting to then Next State Plan

**What we learned from this work**

**Where systems are improving**

**Where gaps remain**

**How this shapes future priorities**

# Closing

**This is what progress looks like**

**Not perfect, but forward**

**Where we keep pushing**
