For more information please see Section 2.9 and visit: www.omwbe.wa.gov or www.wdva.wa.gov.

3.5 COST PROPOSAL (Mandatory, but not scored)

The total amount proposed must not exceed the amount specified in Section 1.4 to be considered responsive to this NOFO.

The evaluation process is designed to award this procurement not necessarily to the Proposer of least cost, but rather to the Proposer whose Proposal best meets the requirements of this NOFO. However, Proposers are encouraged to submit Proposals which are consistent with state government efforts to conserve resources.

Identification of Costs (Mandatory, but not scored)

Identify all costs in U.S. dollars including expenses to be charged for performing the services necessary to accomplish the objectives of the contract. The Proposer is to submit a fully detailed budget including staff costs and any expenses necessary to accomplish the tasks and to produce the deliverables under the contract. Proposers are required to collect and pay Washington state sales and use taxes if applicable.

Costs for work to be completed by subcontractors or subgrantees are to be broken out separately.

4. EVALUATION AND CONTRACT AWARD

4.1 EVALUATION PROCEDURE

Responsive Proposals will be evaluated strictly in accordance with the requirements stated in this NOFO and any addenda issued. The evaluation of Proposals will be accomplished by one or more evaluation team(s) designated by COMMERCE, which will determine the ranking of the proposals.

COMMERCE, in its sole discretion, may elect to invite top-scoring Proposers as finalists for a virtual presentation or interview.

The NOFO Coordinator may contact the Proposer for clarification of any portion of their Proposal. Proposers are not permitted to submit, resubmit, correct, or change any materials of any kind after the date and time stated in Section 2.6 SUBMISSION OF PROPOSALS.

4.2 EVALUATION BREAKDOWN

The following weighting will be assigned to each proposal section for evaluation purposes. Subsections may or may not be of equal weight.

Technical Proposal – 80%

- Project Approach/Methodology
- Work Plan
- Project Schedule
- Outcome and Performance Measurement
- Risks
- Deliverables

Management Proposal – 20%

- Project Team Structure
- Internal Controls
- Staff Qualifications and Experience

Cost Proposal is Not Scored. Proposals quoting a cost above this amount will be disqualified in the administrative review and will not be scored.

Workers' Rights Certification Those Proposers that certify they **do not** require their employees to sign an individual arbitration clause as a condition of employment will receive an extra 1% of their awarded points added to their final score (see Exhibit C).

COMMERCE reserves the right to award the contract(s) to the Proposer(s) whose Proposal is deemed to be in the best interest of COMMERCE and the state of Washington.

4.3 VIRTUAL PRESENTATIONS MAY BE REQUIRED

After evaluating the written proposals COMMERCE may elect to schedule virtual presentations or interviews of top-scoring Proposers. If so, COMMERCE will contact the top-scoring Proposers from the written evaluation to schedule a date and time to meet on a platform such as Zoom or Microsoft Teams. Any commitments made by the Proposer during a virtual presentation or interview will be considered binding.

The virtual presentations will determine the Apparent Successful Grantee(s).

4.4 NOTIFICATION TO PROPOSERS

COMMERCE will notify the Apparent Successful Grantee(s) of their selection in writing upon completion of the evaluation process. Proposers who were not selected for further negotiation or award will be notified separately. Notification may also be made to the COMMERCE public website, Washington Electronic Business Solution (WEBS), or other publicly accessible locations.

4.5 DEBRIEFING OF UNSUCCESSFUL PROPOSERS

Any Proposer who has submitted a Proposal and received notice that they were not selected for contract negotiation may request a debriefing. The request for a debriefing conference must be received by the NOFO Coordinator within three (3) business days after the Unsuccessful Proposer Notification is e-mailed to the Proposer. The debriefing must be scheduled within three (3) business days of the request.

Discussion at the debriefing conference is strictly limited to the following:

- Evaluation and scoring of that Proposer's Proposal;
- Any written comments from evaluators related to that Proposer;
- Review of Proposer's final score in comparison with the other final scores **without** identifying the other Proposers or reviewing their Proposals.

Comparisons between Proposals or evaluations of the other Proposals is not allowed. COMMERCE will not discuss any items other than the three bullet points above. Debriefing conferences may be conducted on the telephone or by other electronic means and will be scheduled for a maximum of thirty (30) minutes. COMMERCE reserves the right to end a debriefing for any reason.

4.6 PROTEST PROCEDURE

Protests may be filed only by Proposers who submitted a response to this NOFO and who have participated in a debriefing conference. Upon completing the debriefing conference, the Proposer is allowed five (5) business days to file a protest with the NOFO Coordinator. Protests must be received by the NOFO Coordinator no later than 5:00pm Pacific time on the fifth business day following the debriefing. Protests must be submitted by email. Proposers may choose to copy COMMERCE'S Central Contracts Office at formalprotest@commerce.wa.gov. Do not copy any other COMMERCE staff.

Proposers protesting this NOFO shall follow the procedures described below. Protests that do not follow these procedures will not be considered. This protest procedure constitutes the sole administrative remedy available to Proposers under this NOFO.

All protests must be in writing, addressed to the NOFO Coordinator, and signed by the protesting party or an authorized agent. The protest must state the NOFO number, the grounds for the protest from the list below with specific facts, and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination, or conflict of interest on the part of an evaluator;
- Errors in computing the score;
- Non-compliance with procedures described in this NOFO or COMMERCE policy.

Protests not based on procedural matters will not be considered. Protests will be dismissed as without merit if they address issues such as an evaluator's professional judgment on the quality of a proposal, or COMMERCE'S assessment of its own and/or other agencies' needs or requirements.

Scores received are not a valid basis of protest and will be dismissed as without merit unless included with facts supporting bias, discrimination, or conflict of interest on the part of an evaluator.

Upon receipt of a protest, a protest review will be held by COMMERCE. COMMERCE'S Chief Contracts Officer, or other employee delegated by the Director who was not involved in the award process, will consider the record along with all available facts and issue a decision within ten (10) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may directly impact the actual interest of another Proposer, such Proposer may be given an opportunity to submit its views and any relevant information on the protest.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold COMMERCE'S action; or
- Find only technical or harmless errors in COMMERCE'S process and determine COMMERCE to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide COMMERCE options which may include:
 - Correct the error(s) and re-evaluate all proposals, or
 - Cancel this NOFO and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If COMMERCE does not find merit in the protest, COMMERCE may enter into a contract with the Apparent Successful Grantee(s). If the protest is determined to have merit, one of the options above will be taken.

In accordance with 2 CFR 200.501, for-profit Subrecipients expending \$1,000,000 or more in federal awards in a fiscal year are also required to procure and pay for a single audit or program-specific audit for that fiscal year.

Upon completion of each audit:

- A. If non-profit, Grantee shall submit all audit documentation to the [Federal Audit Clearinghouse](#).
- B. If for-profit, Grantee shall submit all audit documentation to COMMERCE.

If the Grantee expends less than \$1,000,000 in federal awards as a Subrecipient from any and all sources in a fiscal year, whether non-profit or for-profit, the Grantee shall notify COMMERCE they did not meet the audit requirement threshold within 30 calendar days of the end of that fiscal year.

10. BREACHES OF OTHER STATE CONTRACTS

Grantee is expected to comply with all other contractual agreements executed between Grantee and the State of Washington. A breach of any other contract or grant agreement entered into between Grantee and the State of Washington may, in COMMERCE's sole discretion, be deemed a breach of this Grant.

11. CERTIFICATION REGARDING DEBARMENT, SUSPENSION OR INELIGIBILITY AND VOLUNTARY EXCLUSION- PRIMARY AND LOWER TIER COVERED TRANSACTIONS

- A. Grantee, defined as the primary participant and its principals, certifies by signing these General Terms and Conditions that to the best of its knowledge and belief they:
 - i. Are not presently debarred, suspended, proposed for debarment, and declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency.
 - ii. Have not within a three-year period preceding this Grant, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction, violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice;

 - iv. Have not within a three-year period preceding the signing of this Grant had one or more public transactions (Federal, State, or local) terminated for cause of default.
- B. Where the Grantee is unable to certify to any of the statements in this Grant, the Grantee shall attach an explanation to this Grant.
- C. The Grantee agrees by signing this Grant that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by COMMERCE.
- D. The Grantee further agrees by signing this Grant that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," as follows, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions:

LOWER TIER COVERED TRANSACTIONS

- i. The lower tier Grantee certifies, by signing this Grant that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
 - ii. Where the lower tier Grantee is unable to certify to any of the statements in this Grant, such Grantee shall attach an explanation to this Grant.
- E. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, person, primary covered transaction, principal, and voluntarily excluded, as used in this section, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact COMMERCE for assistance in obtaining a copy of these regulations.

12. CONFIDENTIALITY/SAFEGUARDING OF INFORMATION

- A. "Confidential Information" as used in this section includes:

- i. All material provided to the Grantee by COMMERCE that is designated as “confidential” by COMMERCE;
 - ii. All material produced by the Grantee that is designated as “confidential” by COMMERCE; and
 - iii. All Personal Information in the possession of the Grantee that may not be disclosed under state or federal law.
 - B. The Grantee shall comply with all state and federal laws related to the use, sharing, transfer, sale, or disclosure of Confidential Information. The Grantee shall use Confidential Information solely for the purposes of this Grant and shall not use, share, transfer, sell or disclose any Confidential Information to any third party except with the prior written consent of COMMERCE or as may be required by law. The Grantee shall take all necessary steps to assure that Confidential Information is safeguarded to prevent unauthorized use, sharing, transfer, sale or disclosure of Confidential Information or violation of any state or federal laws related thereto. Upon request, the Grantee shall provide COMMERCE with its policies and procedures on confidentiality. COMMERCE may require changes to such policies and procedures as they apply to this Grant whenever COMMERCE reasonably determines that changes are necessary to prevent unauthorized disclosures. The Grantee shall make the changes within the time period specified by COMMERCE. Upon request, the Grantee shall immediately return to COMMERCE any Confidential Information that COMMERCE reasonably determines has not been adequately protected by the Grantee against unauthorized disclosure.
 - C. Unauthorized Use or Disclosure. The Grantee shall notify COMMERCE within five (5) working days of any unauthorized use or disclosure of any confidential information, and shall take necessary steps to mitigate the harmful effects of such use or disclosure.

13. CONFLICT OF INTEREST

Grantee must maintain and comply with written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts. Grantee must comply with the following minimum requirements:

No employee, officer, or agent may participate in the selection, award, or administration of a contract if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the Grantee may neither solicit nor accept gratuities, favors, or anything of monetary value from Grantees or parties to subcontracts and must comply with RCW 39.26.020. However, Grantee may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the Grantee.

If the Grantee has a parent, affiliate, or subsidiary organization that is not a state, local government, or federally recognized tribe, the Grantee must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, the Grantee is unable or appears to be unable to be impartial in conducting a procurement action involving a related organization.

14. COPYRIGHT PROVISIONS

Unless otherwise provided, all Materials produced under this Grant shall be considered "works for hire" as defined by the U.S. Copyright Act and shall be owned by COMMERCE. COMMERCE shall be considered the author of such Materials. In the event the Materials are not considered “works for hire” under the U.S. Copyright laws, the Grantee hereby irrevocably assigns all right, title, and interest in all Materials, including all intellectual property rights, moral rights, and rights of publicity to COMMERCE effective from the moment of creation of such Materials.

“Materials” means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. “Ownership” includes the right to copyright, patent, register and the ability to transfer these rights.

For Materials that are delivered under the Grant, but that incorporate pre-existing materials not produced under the Grant, the Grantee hereby grants to COMMERCE a nonexclusive, royalty-free, irrevocable license (with rights to sublicense to others) in such Materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The Grantee warrants and represents that the Grantee has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to COMMERCE.

The Grantee shall exert all reasonable effort to advise COMMERCE, at the time of delivery of Materials furnished under this Grant, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Grant. The Grantee shall provide COMMERCE with prompt written notice of each notice or claim of infringement received by the Grantee with respect to any Materials delivered under this Grant. COMMERCE shall have the right to modify or remove any restrictive markings placed upon the Materials by the Grantee.

15. DISPUTES

Except as otherwise provided in this Grant, when a dispute arises between the parties and it cannot be resolved by direct negotiation, either party may request a dispute hearing with the Director of COMMERCE, who may designate a neutral person to decide the dispute.

The request for a dispute hearing must:

- be in writing;
- state the disputed issues;
- state the relative positions of the parties;
- state the Grantee's name, address, and Grant number; and
- be mailed to the Director and the other party's (respondent's) Grant Representative within three (3) working days after the parties agree that they cannot resolve the dispute.

The respondent shall send a written answer to the requestor's statement to both the Director or the Director's designee and the requestor within five (5) working days.

The Director or designee shall review the written statements and reply in writing to both parties within ten (10) working days. The Director or designee may extend this period if necessary by notifying the parties.

The decision shall not be admissible in any succeeding judicial or quasi-judicial proceeding.

The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this Grant shall be construed to limit the parties' choice of a mutually acceptable alternate dispute resolution (ADR) method in addition to the dispute hearing procedure outlined above.

16. DUPLICATE PAYMENT

COMMERCE shall not pay the Grantee, if the Grantee has charged or will charge the State of Washington or any other party under any other Grant or agreement, for the same services or expenses.

17. GOVERNING LAW AND VENUE

This Grant shall be construed and interpreted in accordance with the laws of the state of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

18. INDEMNIFICATION

To the fullest extent permitted by law, Grantee shall indemnify, defend, and hold harmless the state of Washington, COMMERCE, agencies of the state and all officials, agents and employees of the state, from and against all claims for injuries or death arising out of or resulting from the performance of the Grant. "Claim" as used in this Grant, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or the destruction of tangible property including loss of use resulting therefrom.

Grantee's obligation to indemnify, defend, and hold harmless includes any claim by Grantee's agents, employees, representatives, or any subgrantee or its employees.

The Grantee's obligation shall not include such claims that may be caused by the sole negligence of the State and its agencies, officials, agents, and employees. If the claims or damages are caused by or result from the concurrent negligence of (a) the State, its agents or employees and (b) the Grantee, its subgrantees, agents, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Grantee or its subgrantees, agents, or employees.

Grantee waives its immunity under Title 51 RCW, Industrial Insurance, to the extent it is required to indemnify, defend and hold harmless the state and its agencies, officers, agents or employees.

19. INDEPENDENT CAPACITY OF THE GRANTEE

The parties intend that an independent Grantee relationship will be created by this Grant. The Grantee and its employees or agents performing under this Grant are not employees or agents of the state of Washington or COMMERCE. The Grantee will not hold itself out as or claim to be an officer or employee of COMMERCE or of the state of Washington by reason hereof, nor will the Grantee make any claim of right, privilege or benefit which would accrue to such officer or employee under law. Conduct and control of the work will be solely with the Grantee.

20. INDIRECT COSTS

The Grantee shall provide their indirect cost rate that has been negotiated between their entity and the Federal Government. If no such rate exists a de minimis indirect cost rate of not more than 15% of Modified Total Direct Costs (MTDC) may be used.

21. INDUSTRIAL INSURANCE COVERAGE

Grantee shall comply with all applicable provisions of Title 51 RCW. If the Grantee fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, COMMERCE may collect from Grantee the full amount payable to the Industrial Insurance Accident Fund. COMMERCE may deduct the amount owed by the Grantee to the accident fund from the amount payable to Grantee by COMMERCE under this Grant, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the Grantee.

22. LAWS

Grantee shall comply with all applicable laws, ordinances, codes, regulations and policies of local, state, and federal governments, as now or hereafter amended.

23. LICENSING, ACCREDITATION AND REGISTRATION

Grantee shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements or standards necessary for the performance of this Grant.

24. LIMITATION OF AUTHORITY

Only the Authorized Representative or the Authorized Representative's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Grant. Furthermore, any alteration, amendment, modification, or waiver or any clause or condition of this Grant is not effective or binding unless made in writing and signed by the Authorized Representative.

25. NONDISCRIMINATION

A. Nondiscrimination Requirement. During the performance of this Agreement, the GRANTEE, including any subcontractor, shall comply with all federal, state, and local nondiscrimination laws, regulations and policies, this shall include but not be limited to the following: GRANTEE, including any subcontractor, shall not discriminate on the bases enumerated at RCW 49.60.530(3). In addition, GRANTEE, including any subcontractor, shall give written notice of this nondiscrimination requirement to any labor organizations with which GRANTEE, or subcontractor, has a collective bargaining or other agreement.

The funds provided under this Agreement shall not be used to fund religious worship, exercise, or instruction. No person shall be required to participate in any religious worship, exercise, or instruction in order to have access to the facilities funded by this Agreement.

B. Obligation to Cooperate. GRANTEE, including any subcontractor, shall cooperate and comply with any Washington state agency investigation regarding any allegation that GRANTEE, including any subcontractor, has engaged in discrimination prohibited by this Agreement pursuant to RCW 49.60.530(3).

C. Default. Notwithstanding any provision to the contrary, COMMERCE may suspend GRANTEE, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this Contract, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until COMMERCE receives notification that GRANTEE, including any subcontractor, is cooperating with the investigating state agency. In the event GRANTEE, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), COMMERCE may terminate this Agreement in whole or in part, and GRANTEE, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. GRANTEE or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.

D. Remedies for Breach. Notwithstanding any provision to the contrary, in the event of Agreement termination or suspension for engaging in discrimination, GRANTEE, subcontractor, or both, shall be liable for contract damages as authorized by law including, but not limited to, any cost difference between the original Grant and the replacement or cover Grant and all administrative costs directly related to the replacement Grant, e.g., cost of the competitive bidding, mailing, advertising and staff time, which damages are distinct from any penalties imposed under Chapter 49.60, RCW. GRANTEE may also be required to repay grant funds pursuant to Section 29 (Recapture) of the General Terms & Conditions if the Agreement is terminated based on a violation of the nondiscrimination requirement. COMMERCE shall have the right to deduct from any monies due to GRANTEE or subcontractor, or that thereafter become due, an amount for damages GRANTEE or subcontractor will owe COMMERCE for default under this provision.

4.7

26. PAY EQUITY

The Grantee agrees to ensure that "similarly employed" individuals in its workforce are compensated as equals, consistent with the following:

- A. Employees are "similarly employed" if the individuals work for the same employer, the performance of the job requires comparable skill, effort, and responsibility, and the jobs are performed under similar working conditions. Job titles alone are not determinative of whether employees are similarly employed;
- B. Grantee may allow differentials in compensation for its workers if the differentials are based in good faith and on any of the following:
 - i. A seniority system; a merit system; a system that measures earnings by quantity or quality of production; a bona fide job-related factor or factors; or a bona fide regional difference in compensation levels.
 - ii. A bona fide job-related factor or factors may include, but not be limited to, education, training, or experience that is: Consistent with business necessity; not based on or derived from a gender-based differential; and accounts for the entire differential.
 - iii. A bona fide regional difference in compensation level must be: Consistent with business necessity; not based on or derived from a gender-based differential; and account for the entire differential.

This Grant may be terminated by the Department, if the Department or the Department of Enterprise Services determines that the Grantee is not in compliance with this provision.

27. POLITICAL ACTIVITIES

Political activity of Grantee's employees and officers are limited by the State Campaign Finances and Lobbying provisions of Chapter 42.17A RCW and the Federal Hatch Act, 5 USC 1501 - 1508.

28. PROCUREMENT STANDARDS FOR FEDERALLY FUNDED PROGRAMS

All Grantees must establish procurement policies and procedures in accordance with 2 CFR Part 200, for all expenditures funded by this Grant.

The Grantee's procurement system should include at least the following:

- A.** A code or standard of conduct that shall govern the performance of its officers, employees, or agents engaged in the awarding of Grants using federal funds.
- B.** Procedures that ensure all procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition.
- C.** Minimum procedural requirements, as follows:
 - i.** Follow a procedure to assure the avoidance of purchasing unnecessary or duplicative items.
 - ii.** Solicitations shall be based upon a clear and accurate description of the technical requirements of the procured items.
 - iii.** Positive efforts shall be made to use small and minority-owned businesses.
 - iv.** The type of procuring instrument (fixed price, cost reimbursement) shall be determined by the Grantee, but must be appropriate for the particular procurement and for promoting the best interest of the program involved.
 - v.** Grants shall be made only with reasonable subgrantees who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement.
 - vi.** Some form of price or cost analysis should be performed in connection with every procurement action.
 - vii.** Procurement records and files for purchases shall include all of the following:
 - 1)** Grantee selection or rejection.
 - 2)** The basis for the cost or price.
 - 3)** Justification for lack of competitive bids if offers are not obtained.
 - viii.** A system for Grant administration to ensure Grantee conformance with terms, conditions and specifications of this Grant, and to ensure adequate and timely follow-up of all purchases.
- D.** Grantee and Subgrantee must receive prior approval from COMMERCE for using funds from this Grant to enter into a sole source Grant or a Grant where only one bid or proposal is received when value of this Grant is expected to exceed \$5,000.

Prior approval requests shall include a copy of proposed Grants and any related procurement documents and justification for non-competitive procurement, if applicable.

29. PUBLICITY

The Grantee agrees not to publish or use any advertising or publicity materials in which the state of Washington or COMMERCE's name is mentioned, or language used from which the connection with the state of Washington's or COMMERCE's name may reasonably be inferred or implied, without the prior written consent of COMMERCE.

30. RECAPTURE

In the event that the Grantee fails to perform this Grant in accordance with state laws, federal laws, and/or the provisions of this Grant, COMMERCE reserves the right to recapture funds in an amount to compensate COMMERCE for the noncompliance in addition to any other remedies available at law or in equity.

Repayment by the Grantee of funds under this recapture provision shall occur within the time period specified by COMMERCE. In the alternative, COMMERCE may recapture such funds from payments due under this Grant.

31. RECORDS MAINTENANCE

The Grantee shall maintain books, records, documents, data and other evidence relating to this Grant and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Grant.

The Grantee shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Grant, shall be subject at all reasonable times to inspection, review or audit by COMMERCE, personnel duly authorized by COMMERCE, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

32. REGISTRATION WITH DEPARTMENT OF REVENUE

If required by law, the Grantee shall complete registration with the Washington State Department of Revenue.

33. RIGHT OF INSPECTION

The Grantee shall provide right of access to its facilities to COMMERCE, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Grant.

34. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Grant and prior to normal completion, COMMERCE may terminate the Grant under the "Termination for Convenience" clause, without the ten business day notice requirement. In lieu of termination, the Grant may be amended to reflect the new funding limitations and conditions.

35. SEVERABILITY

The provisions of this Grant are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Grant.

36. SITE SECURITY

While on COMMERCE premises, Grantee, its agents, employees, or subgrantees shall conform in all respects with physical, fire or other security policies or regulations.

37. SUBGRANTING

The Grantee may only subgrant work contemplated under this Grant if it obtains the prior written approval of COMMERCE.

If COMMERCE approves subgranting, the Grantee shall maintain written procedures related to subgranting, as well as copies of all subgrants and records related to subgrants. For cause, COMMERCE in writing may: (a) require the Grantee to amend its subgranting procedures as they relate to this Grant; (b) prohibit the Grantee from subgranting with a particular person or entity; or (c) require the Grantee to rescind or amend a subgrant.

Every subgrant shall bind the Subgrantee to follow all applicable terms of this Grant. The Grantee is responsible to COMMERCE if the Subgrantee fails to comply with any applicable term or condition of this Grant. The Grantee shall appropriately monitor the activities of the Subgrantee to assure fiscal conditions of this Grant. In no event shall the existence of a subgrant operate to release or reduce the liability of the Grantee to COMMERCE for any breach in the performance of the Grantee's duties.

Every subgrant shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a Subgrantee's performance of the subgrant.

38. SURVIVAL

The terms, conditions, and warranties contained in this Grant that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Grant shall so survive.

39. TAXES

All payments accrued on account of payroll taxes, unemployment contributions, the Grantee's income or gross receipts, any other taxes, insurance or expenses for the Grantee or its staff shall be the sole responsibility of the Grantee.

40. TERMINATION FOR CAUSE

In the event COMMERCE determines the Grantee has failed to comply with the conditions of this Grant in a timely manner, COMMERCE has the right to suspend or terminate this Grant. Before suspending or terminating the Grant, COMMERCE shall notify the Grantee in writing of the need to take corrective action, unless remedying the noncompliance is not feasible or not in the State's interest. If corrective action is not taken within 30 calendar days, the Grant may be terminated or suspended.

In the event of termination or suspension, the Grantee shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Grant and the replacement or cover Grant and all administrative costs directly related to the replacement Grant, e.g., cost of the competitive bidding, mailing, advertising and staff time.

COMMERCE reserves the right to suspend all or part of the Grant, withhold further payments, or prohibit the Grantee from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Grantee or a decision by COMMERCE to terminate the Grant. A termination shall be deemed a "Termination for Convenience" if it is determined that the Grantee: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of COMMERCE provided in this Grant are not exclusive and are, in addition to any other rights and remedies, provided by law.

41. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Grant, COMMERCE may, by ten (10) business days' written notice, beginning on the second day after the mailing, terminate this Grant, in whole or in part. If this Grant is so terminated, COMMERCE shall be liable only for payment required under the terms of this Grant for services rendered or goods delivered prior to the effective date of termination.

42. TERMINATION PROCEDURES

Upon termination of this Grant, COMMERCE, in addition to any other rights provided in this Grant, may require the Grantee to deliver to COMMERCE any property specifically produced or acquired for the performance of such part of this Grant as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the Grantee the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the Grantee and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by

COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized Representative shall determine the extent of the liability of COMMERCE. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Grant. COMMERCE may withhold from any amounts due the Grantee such sum as the Authorized Representative determines to be necessary to protect COMMERCE against potential loss or liability.

The rights and remedies of COMMERCE provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Grant.

After receipt of a notice of termination, and except as otherwise directed by the Authorized Representative, the Grantee shall:

- A.** Stop work under the Grant on the date, and to the extent specified, in the notice;
- B.** Place no further orders or subgrants for materials, services, or facilities except as may be necessary for completion of such portion of the work under the Grant that is not terminated;
- C.** Assign to COMMERCE, in the manner, at the times, and to the extent directed by the Authorized Representative, all of the rights, title, and interest of the Grantee under the orders and subgrants so terminated, in which case COMMERCE has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subgrants;
- D.** Settle all outstanding liabilities and all claims arising out of such termination of orders and subgrants, with the approval or ratification of the Authorized Representative to the extent the Authorized Representative may require, which approval or ratification shall be final for all the purposes of this clause;
- E.** Transfer title to COMMERCE and deliver in the manner, at the times, and to the extent directed by the Authorized Representative any property which, if the Grant had been completed, would have been required to be furnished to COMMERCE;
- F.** Complete performance of such part of the work as shall not have been terminated by the Authorized Representative; and
- G.** Take such action as may be necessary, or as the Authorized Representative may direct, for the protection and preservation of the property related to this Grant, which is in the possession of the Grantee and in which COMMERCE has or may acquire an interest.

43. TREATMENT OF ASSETS

Title to all property furnished by COMMERCE shall remain in COMMERCE. Title to all property furnished by the Grantee, for the cost of which the Grantee is entitled to be reimbursed as a direct item of cost under this Grant, shall pass to and vest in COMMERCE upon delivery of such property by the Grantee. Title to other property, the cost of which is reimbursable to the Grantee under this Grant, shall pass to and vest in COMMERCE upon (i) issuance for use of such property in the performance of this Grant, or (ii) commencement of use of such property in the performance of this Grant, or (iii) reimbursement of the cost thereof by COMMERCE in whole or in part, whichever first occurs.

- A.** Any property of COMMERCE furnished to the Grantee shall, unless otherwise provided herein or approved by COMMERCE, be used only for the performance of this Grant.
- B.** The Grantee shall be responsible for any loss or damage to property of COMMERCE that results from the negligence of the Grantee or which results from the failure on the part of the Grantee to maintain and administer that property in accordance with sound management practices.
- C.** If any COMMERCE property is lost, destroyed or damaged, the Grantee shall immediately notify COMMERCE and shall take all reasonable steps to protect the property from further damage.
- D.** The Grantee shall surrender to COMMERCE all property of COMMERCE prior to settlement upon completion, termination or cancellation of this Grant.
- E.** All reference to the Grantee under this clause shall also include Grantee's employees, agents or subgrantees/subcontractors.

44. WAIVER

Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Grant unless stated to be such in writing and signed by Authorized Representative of COMMERCE.
