

## Your One-Stop Bowel Prep Shop

Yes, that includes a complete OTC Regimen!

Depending on your patient situation, OTC may be the best bowel prep solution for them, but it is also very confusing and frustrating for them to find all of the correct products and purchase a complete the kit - That's where we come in!

Gifthealth will package a custom kit with your office's preferred products and ship it directly to your patient's door! PLUS you and your patients still receive all Gifthealth benefits:

- Real-time outreach (SMS / IVR)
- Provider-Specific Instruction Sheet with Kit
- Adherence Reminders
- Weekly Prescriber Reporting

Help your patients say goodbye to searching all day on amazon or visiting multiple grocery stores scanning shelves for products and calling your office for more information.
