SOMETHING REEL EXCITING IS COMING TO PRAIRIE POINTE PARK!

The City of Elkhart is excited to announce plans to install a brand-new fishing pier at the southeast corner of the Prairie Pointe Park ponds.

The new structure will feature safety railing all the way around and be fully ADA accessible.

This part of the Prairie Pointe Park project was made possible through a \$50,000 REAP grant awarded by the Iowa Department of Natural Resources' Resource Enhancement and Protection (REAP) program.
