Appendix “A”

Randy G. Popik, BCom, CA, CPA, CBV, ASA.BV, CFI, CFF

Current Status

Mr. Popik is a Partner with Kingston Ross Pasnak LLP and practices across Canada in the areas of financial litigation support, corporate finance, business valuations, forensic investigative accounting and general accounting and income tax services. Mr. Popik is also President of Medallion Business Brokers Inc. and actively involved in merger and acquisition transactions across Canada and the U.S.A.

Education

Mr. Popik obtained a Bachelor of Commerce degree, majoring in accounting, from the University of Alberta in June 1990 and his designation as a Chartered Accountant with the Alberta Institute in January 1994. In December 1997 he gained membership with the Canadian Institute of Chartered Business Valuators (with a dual specialization in business valuation and quantification of economic damages) as jointly administered through the University of Toronto and York University while, distinguishing himself by obtaining the highest mark in Canada on the Law and Valuation course. In September 1999 he was admitted to membership with the American Society of Appraisers, earning the professional designation Accredited Senior Appraiser, accredited in business valuations. In November 2000 he became an associate member with the Association of Certified Fraud Examiners. In 2012 Mr. Popik completed the final examination requirements of the Association of Certified Forensic Investigators of Canada and was admitted as a member. In 2015, Mr. Popik became a member of the Chartered Professional Accountants of Canada, Alberta, and the Yukon. In 2016, Mr. Popik became Certified in Financial Forensics by the American Institute of Certified Public Accountants. In 2020, Mr. Popik became a member of the Chartered Professional Accountants of British Columbia. In 2023, Mr. Popik became a member of the Chartered Professional Accountants of Saskatchewan. In 2025, Mr. Popik became a member of the Chartered Professional Accountants of Ontario and Manitoba.

Experience

Mr. Popik has over thirty-six years of public practice experience and has developed expertise in the provision of financial litigation support, business valuation, forensic investigative accounting, advisory, income taxes (personal and corporate) and corporate finance services. Mr. Popik completed his articles and practiced approximately nine years of his public practice career with one of Canada's largest national accounting firms, Deloitte & Touche LLP. Mr. Popik has been a partner with Kingston Ross Pasnak LLP since joining it in 1999 and is the practice group leader of its Financial Litigation Support Practice.

Selected Financial Litigation Support Experience

Mr. Popik estimates he has prepared over 500 financial litigation support reports over his thirty-six-year career, including:

- Pursuant to the Rules of Court, Form 25 and the former 218.1 Statement, our preparation and presentation of our independent assessment and quantifications of economic damages, including surrebuttal reports involving personal injury (motor vehicle accident, slip and fall) pursuant to the applicable Insurance Act, fatality, wrongful dismissals, commercial damages, tort claims, breach of contract actions pursuant to the specific terms of the contract, fraud claims, and business valuation disputes in litigation, including the preparation of Expert Reports complying with the Rules of Court for both Plaintiff and Defendant actions filed in British Columbia, Alberta, Saskatchewan, and the Yukon;
- Quantifications of special damages for self-employed individuals and employees, including bodily injury claims for past and future loss of income, future costs of care, loss of housekeeping capacity, and income tax gross-ups, including the preparation of Expert Reports complying with the Rules of Court for both Plaintiff and Defendant actions in jurisdictions encompassing Western Canada;
- Business Valuations opining on Fair Value pursuant to S. 190 and S. 241 of the Business Corporations Act of Alberta as regarding dissent and oppression actions in litigation.

Selected Financial Litigation Support Experience (continued)

- Quantifications of Equalization Payments and Guideline Income calculations in matrimonial matters in litigation pursuant to the Federal Child Support Guidelines, specifically Sections 16, 17, 18, and 19, and the Spousal Support Advisory Guidelines.
- Quantifications of damages pursuant to the Expropriation Act of Alberta as regarding municipal and provincial expropriations of businesses in litigation in contemplation of appearance before the Alberta Land and Property Rights Tribunal of Alberta, most notably acting for several confidential clients forced to relocate or close following the expropriation of the Edmonton City Centre Airport and the LRT expansion in Edmonton, AB; and,
- Quantification of business interruption claims pursuant to the insurance policy in place, most notably acting for several confidential clients suffering a loss as a result of the Fort McMurray, AB wildfire of 2016.

Selected Forensic Investigative and Governance Experience

- Conducted a forensic review of a trust account precipitated by allegations of mismanagement of funds by the trustee;
- Review of cash handling procedures of several bar operators with Video Lottery Terminals so as to ensure the completeness of cash for deposit and financial statement reporting;
- Assisted a municipality in completing a review of its cash handling procedures necessitated by their discovery of theft in excess of $1 million which had been perpetrated;
- Assisted a federal police detachment with a review of its cash handling procedures necessitated by allegations of theft at the payment window and vault perpetrated by an employee of the detachment;
- Numerous internal control reviews and investigations in to fraud and defalcation allegations as regarding several Municipal Districts in Alberta;
- Assisted a client in the quantification and recovery of over $400,000 in marketable securities and cash that were taken by his investment advisor over a period of eight years and assessed the tax implications to determine an appropriate settlement;
- Assisted the shareholder of a road construction company with a comprehensive review of its books and records identifying defalcations perpetrated by an employee of the company via payments made to fictitious companies controlled by said employee;
- Numerous matrimonial related engagements involving the forensic tracing and tracking of funds from a joint or sole bank account(s) of the divorcing couple to suspected diverted transfers at the exclusion of the other party thereby skimming funds in an attempt to defraud the other party of a fair settlement of matrimonial property;
- Assisted a labor union in the investigation of ballot stuffing pursuant to a counterfeit mail-in ballot scheme perpetrated;
- Conducted a comprehensive forensic review of a public library pursuant to allegations of impropriety by the treasurer over a four-year period;
- Assisted numerous clients in reviews of fictitious payments, cloned vendors, payroll irregularities, diversion of cash, and cash handling procedures;
- Conducted advisory forensic procedures as regarding an alleged warranty claim against a provider of non-destructive testing on ships;
- Advising and assisting an engine repair facility to improve business processes, cash management, and assisting with matters related to an alleged breach of contract;
- Advising an insurer regarding a financial auditor's potential responsibility to detect fraudulent payroll activity in excess of $1 million;
- Advisory and forensic procedures to assist a Municipal District regarding specific allegations. Advising regarding said specific allegations and identifying and advising regarding mitigating actions to be taken to mitigate against tax filing risks; and,

Selected Forensic Investigative and Governance Experience (Continued)

- Advisory and forensic procedures to assist a Municipal District regarding specific business transactions and advising regarding: internal control weaknesses, segregation of duties, asset stewardship, and the effective use of budgets as part of the asset stewardship function of the Municipal District.
