YARD LIGHT AGREEMENT

Dear Member,

Wild Rice Electric Cooperative will install and maintain on our existing pole an **LED LIGHT** at a charge of \$12.00 per month. Please complete the enclosed yard light agreement and return to Wild Rice Electric Cooperative. Also, please include a sketch indicating the direction you would like the light to face.

Upon receipt of the requested information, a service order will be completed and sent out to our crews for installation. Your light will be installed when they are in your area.

We trust you will enjoy the convenience and the security of the light.

WILD RICE ELECTRIC COOPERATIVE, INC.

YARD LIGHT AGREEMENT

ACCOUNT NUMBER _____

I, _____ [Member Name], agree to receive yard light service from Wild Rice Electric Cooperative, Inc. (Cooperative) at _____ [Service Location]. This service will not be metered, and I agree to pay the Cooperative a monthly fee per light, as specified in Schedule YL of Wild Rice Electric's rate schedule. Failure to make the required monthly payment may result in the disconnection or removal of the light.

The **LED LIGHT** will be mounted on an existing Cooperative pole. I understand that a request for any additional service beyond installation of the light on the Cooperative's existing pole will be my responsibility and I will be charged for any such additional costs.

The Cooperative will be responsible for normal maintenance of the yard light. I understand that it is my responsibility to notify the Cooperative if the said yard light is not properly operating. I also understand that I shall be responsible for the reasonable care of the light, including repair of vandalism, damage or breakage.

Moving or reinstalling of an existing light will be on a time and material basis with a minimum charge of \$50.00. Posts, fixtures or additional equipment, not part of a standard yard light package, will be paid for or provided by the consumer.

Installation and/or repair of a yard light will be completed during normal working hours of the Cooperative and within a reasonable time period when service crews are in the area.

I have been made aware that yard lights often do not perform well in extremely cold weather conditions so I will not hold the Cooperative responsible for operation of the light during such periods.

I understand and agree to allow the Cooperative to enter my property to install, repair, and maintain the said yard light. I also agree to hold the Cooperative harmless for any liability that may result from the light not operating properly.
