ACCOUNT NUMBER \_\_\_\_\_

I, \_\_\_\_\_ (Member Name), agree to receive yard light service from Wild Rice Electric Cooperative, Inc. ("Cooperative") at the following service location: \_\_\_\_\_.

This service will be unmetered, and I agree to pay the Cooperative the applicable monthly fee per light as outlined in Schedule YL of Wild Rice Electric's rate schedule. I understand that failure to make the required monthly payment may result in disconnection or removal of the yard light.

The LED light will be mounted on an existing Cooperative pole. I understand that any additional service beyond installation on the existing pole will be my responsibility, and I will be charged for any related costs.

The Cooperative will provide normal maintenance for the yard light. I understand it is my responsibility to notify the Cooperative if the light is not operating properly. I also agree to use reasonable care to prevent damage and will be responsible for repairs due to vandalism, damage, or breakage.

Any request to move or reinstall an existing light will be billed on a time-and-materials basis, with a minimum charge of \$50, unless otherwise provided by the member.

Installation and repairs will be completed during the Cooperative's normal working hours and within a reasonable timeframe when service crews are in the area.

I understand that yard lights may not perform well during extremely cold weather conditions and agree not to hold the Cooperative responsible for operation during such periods.

I grant the Cooperative permission to enter my property to install, repair, and maintain the yard light. I also agree to hold the Cooperative harmless from liability resulting from the light not operating properly.
