DIGITAL SAFETY

“Brain Defense: Digital Safety is well-organized, simple and clear. The analogies in the videos are excellent and will assist children with developing critical thinking and decision-making skills. I especially love the parts about the brain. Well done!”

-MARY L. AFFEE, ED.D, LCSW, RPT-S

### Every kid deserves to be taught digital defense skills

Use our entertaining videos, engaging worksheets, and family conversation starters to protect kids ages 7-11 from predators, pornography, cyberbullies and screen addiction.
