THE LOCATION

Framlingham
COLLEGE

Founded in 1864, Framlingham College in Suffolk began as a memorial to Prince Albert, intended to educate local farmers' sons. Over time, it grew into a renowned co-educational boarding and day school, known for academic excellence, arts, and sports. The school's original Victorian buildings blend beautifully with modern facilities, including science labs, music studios, and a sixth-form centre.

Framlingham College's motto, "Ora et Labora" (Pray and Work), reflects its commitment to a well-rounded education and community service. This unique blend of tradition and innovation offers students a supportive environment to reach their full potential.

The Town of Framlingham

Framlingham, a picturesque Suffolk town, is famous for its medieval Framlingham Castle, a stunning historical site where Mary Tudor once sought refuge before becoming Queen. The town's charming market center is filled with independent shops, cafes, and local pubs, capturing the essence of English village life.

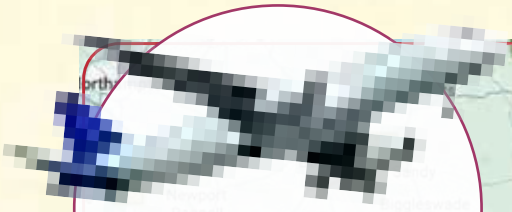

With its beautiful surroundings, cultural events like the Framlingham Country Show, and proximity to the Suffolk Coast, Framlingham is ideal for visitors seeking countryside tranquillity and a taste of English history. The town's close ties to Framlingham College foster a vibrant, welcoming community.
