

GIVE 2025

As we seek to live out our mission
— *making, maturing, & multiplying*
disciples of Jesus Christ for God's
glory — every person is invited to
take their part as we *pray, gather,*
grow, give, and serve. The
resources to enable our
mission are dependent on
the generosity of our people.

EXPENSES 2025

operational budget (tithes and offerings support ministry in Toowoomba, Brisbane, and Online)

We're so thankful for the generosity of our people! Please note that each person should give in accordance with what they have prayerfully discerned. Whilst people often find a 'tithing' model of 10% helpful, the New Testament approach is that we would give sacrificially in response to God's generosity to us. That means 10% could be too much for some and too little for others.

For more information on our approach to giving, you can listen to some St Bart's sermons: stbarts.com.au/give

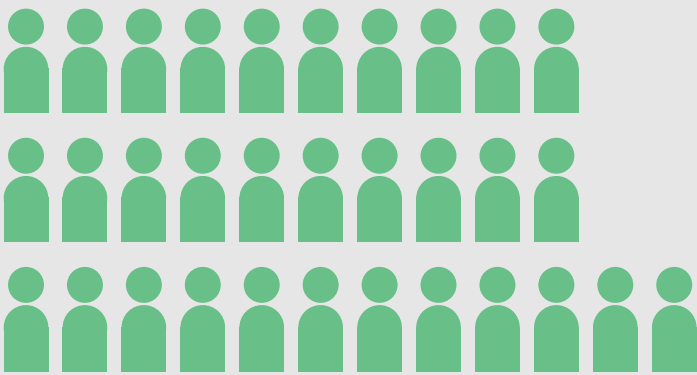

On average (this year) we have:

162

regular households giving who give an average

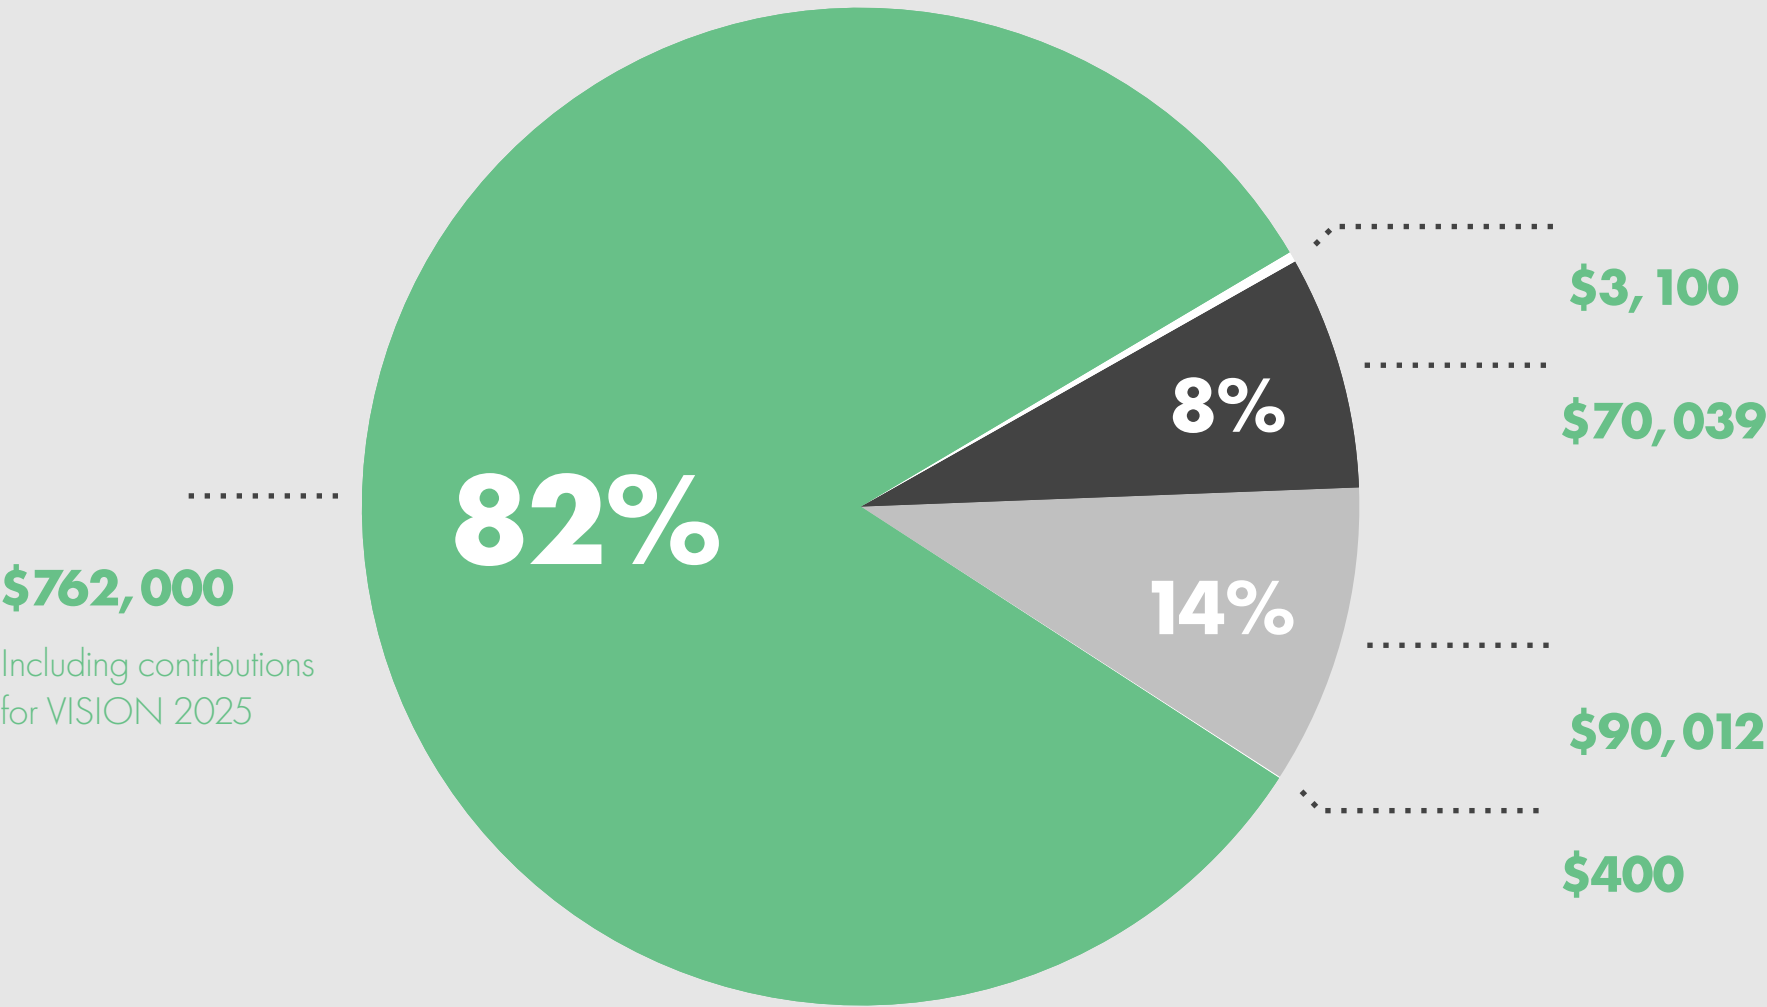

\$348

per month

INCOME 2025

operational income (tithes and offerings) (*giving is the total from all locations: Toowoomba, Brisbane, & Online*)

The majority of our income is from the *faithful giving of our people*. Your regular gifts help enable the ongoing ministry and mission of our church to help *make, mature, & multiply* disciples. Please note that the average monthly gift is simply that—an average! There is a wide-range of regular gifts that people discern in accordance with their resources.

Please note that more detailed information regarding our projected 2025 income and expenses is detailed in the Annual Report (available on our website).

Our **anticipated** shortfall is now \$44,631 (about 6% under budget). We’re hoping (and praying) to completely reduce this gap before the end of the year. This will especially enable us to fill and resource all of our needed roles.

\$44,631

goal **\$762,000**

With that in mind, we’re inviting those who do not currently give regularly, to consider doing so. Further, regular givers may like to consider a special one-off gift to reduce the gap.

THREE OPTIONS

to financially support

Those **new to St Bart's** are invited to give as financial partners in the life of our church.

Those who are **current regular givers** may like to consider increasing their regular gift.

Everyone may also like to consider making an additional one-off gift to help us reach our goal.
