- I. have a valid United States of America, Department of State issued passport (must provide the GNOC with a copy of such passport),
- II. reside in Guam for five (5) years prior to the Opening of the Olympic Games. Other regional or IF events may allow for separate residency requirements, however, this is not applicable to the Olympic Games.

 - **if NOT born in Guam**, the athlete must have resided in Guam **five (5) consecutive** years **prior** to the Opening of the Games/Event (proof must be provided)

 - if NOT born in Guam, a copy of five (5) consecutive years of Guam Income Tax Filings.
 - a certified letter or statement from the Government of Guam Department of Revenue and Taxation certifying the athlete (if under age, the athlete's parent) has filed five (5) consecutive years prior to the Opening of Games/Event

- if an athlete (not born on Guam) leaves Guam after establishing five (5) years of residency for education purposes, the athlete is then required to provide a copy of school transcripts proving full-time enrollment or a letter from the school certifying they were enrolled in classes at a full-time status for the number of years the athlete needs to meet the five (5) year requirement.

NOTE: If an athlete has represented another Country at the Olympic Games or at an international, continental or regional games or at a world, continental or regional championship recognized by the International Federation, then the athlete is NOT eligible to represent Guam, unless the athlete has been released by the country in which they previously represented (an official letter from the President/Secretary General of the National Olympic Committee of the Country or the Governing body of sport must be provided by the athlete.

Losing Residency-Eligible Status:

Once an athlete is recognized by the GNOC as a resident-eligible athlete, based on the residency requirements, does not mean they are eligible for life. Other factors may affect their eligibility, such as an athlete's behavior at previous games, criminal record, insubordination, or has been in violation of Team Guam Athlete/Official Handbook or has been banned by the NF or IF for previous actions, etc.

Also, if an athlete (not born on Guam) leaves Guam, after establishing five (5) years of residency, for purposes other than: Military duty - home of record (Guam), education or illness, for ninety (90) days or more, the athlete loses his/her recognized residency status and must reestablish their residency based on the guidelines listed above.
