neighbor."
Romans 14:1-12
• It is not love to judge a believer over that which is not sin.
It is love to bring God's word to a sinner.
 As far as you are concerned, you make Jesus Lord of your life.
"The desire to obey God does not make you a legalist anymore than the desire to
error on the side of Christlike love makes you a liberal."

• As far as other believers are concerned let Jesus be Lord over their lives.

It is love to avoid foolish debates.
