A healthy church requires three elements/virtues to be in abundance: Faith, Hope and Love.

- **Faith believes**
- **Hope looks forward**
- **Love lives out**

Relationships stoke the fire of these virtues.

“Let us...”

- Draw near with a true heart in full assurance of **faith** (v.22)
- Hold on to the confession of our **hope** without wavering (v.23)
- Consider one another in order to provoke **love** and good works (v.24)

Small groups provide environments for...

- Exhortation
- Encouragement
- Edification

All needed to grow and maintain spiritual health.

“A Christian congregation (small group) is a group of people who decide, together, to pay attention.”

Eugene Peterson, On Living Well, page 99
