It all starts here.

- **The church is called to display the ‘Hope of the world’ through relationships.**
- **Who you worship is displayed in your relationships.**
 - Worship = Reverence, adoration, devotion, celebration of our sacrifice on behalf of deity, person, or object. (Working definition)

- Key ingredients of worship:

-

-

-

- **In order for our hearts/relationships to display Christ we need continued 'recalibration'.**

-

-

-

- **A broken world is watching.**
