Jesus' miracles are meant to **magnify** His authority, **minister** to our hearts, and **motivate** an active faith.

Jesus' interaction with Legion reveals . . .

- His indisputable authority. (vv. 1-13)
 - Jesus' rule extends over the unseen realm.
- His inconceivable strength. (vv. 14-17)
 - Jesus' proven power means anything is possible.
- Our individual commission. (vv. 18-20)
 - Jesus' personal grace propels our personal witness.

A Key Question: Do you see Jesus rightly?

When we recognize Jesus' active authority it inspires an active faith.

Discussion Questions:

1. How have you typically viewed the miracles in the Bible? How have they impacted your faith in God and His Word?
2. Why do we struggle to believe in the supernatural? Why is it important to consider these accounts rather than dismissing them? How can we ensure that our conclusions are accurate?
3. How does God's active authority and power over all creation minister to your fears, challenges, and desires?
4. Pray for each other, asking God to strengthen your faith in His awareness, ability and activity in your life.
