**Confidence in Christ’s return provides stability in unstable times.**

### **The return of Jesus is...**

- Real – In addition to its mention throughout Scripture, Jesus also talked about His return. (Matthew 24; Mark 13; Luke 21; John 14 & 16)
- Close - No one knows the day or hour, but it’s closer today than yesterday. (Matthew 24:36, Revelation 22:12, 20)
- Good - The Biblical paradox of the “end times” is that their completion is actually the beginning. (1 Corinthians 15:50-58; 1 Thessalonians 4:13-18; Hebrews 9:28)

## **How to Wait Well – 2 Peter 3**

- Pursue integrity (v. 14) – Make every effort to live above reproach.
- Guard against heresy (vv. 15-17) – The result of twisting God's Word.
- Grow in familiarity (v. 18) – With the Lord and His grace.

**Christ's return should inspire faith, not fear, as we wait confidently in Him.**
