**Big Idea: God knows how to awaken hardened consciences, restore broken relationships, and pave the way for redemption.**

1. God allows our needs to awaken our hearts (v1-5).
2. God allows conviction to bring us to repentance (v6-17).
3. God uses mercy to move us to transformation (v18-28).
4. God uses tension to grow our faith (v29-38).
