Where do we go from here?

A word of warning. . .

- This passage has been often misused, but rarely heeded.
- God doesn't just warn, He welcomes.
Knowing where you're headed > warnings of where not to go.

Vision drives outcomes.

- Vision has momentum.
- When God's vision is not followed:
 - Each man chases what he wants. (Exodus 32:25)
 - Each man does what is right in his own eyes. (Judges 17:6; 21:25)

The human heart is desperate for freedom and fulfillment.

- Happiness (bliss) has rules.

God's vision for your life is critical to your happiness.

Discussion Questions:

1. When making a decision, do I consider God's people or just myself? Do my decisions tend to drive me to fellowship?
2. Do you find yourself explaining away God's statements more than embracing them? What statements in scripture are hard to accept?
3. Human nature craves freedom and fulfillment. How is scripture a better guide?
