- **Waiting is part of God's recipe.**

 - It is a test for leaders.
- **Waiting precedes life defining moments.**
- **Waiting well requires a goal. . .**

Discussion Questions:

1. Why is waiting so hard?
2. Have you ever considered that waiting was part of God's plan? How does it reveal your heart? Share an example of this.
3. Interact with the idea that waiting precedes life defining moments? Can you think of any examples of this in scripture.
4. What are some "ingredients" required for waiting well?
