**BIG IDEA:** God's plan is often a community project.

#### Shoulder to Shoulder

*Observations from Nehemiah 1-4*

- A hallmark of God-inspired vision is a benefit for others achieved through personal sacrifice. (Chapter 1)
- Adversity doesn't mean God is absent in our work. (Chapter 2)
- Our assignments may be different, but their significance is not. (Chapter 3)
- The gift of serving together is when one area is in need, the rest rally to help. (Chapter 4)

**Key Question: What is your spot on the wall?**

## **Discussion Questions:**

1. What stands out to you from this morning's message? Looking over the first four chapters of Nehemiah, what can we learn about God? What do you see in Nehemiah?
2. How would you describe God's overarching purpose for a local church? What is the responsibility of the individuals within it?
3. What benefit is there to those within the church and the community when God's people work together to accomplish His purpose?
4. As you consider this season of growth and transition at Salem Heights, what do you sense God would have you do to participate in His work?
