Trusting God when you've reached the end of the map.

## Remember What Matters Most

### Acts 9:31

**BIG IDEA:** A church that fears the Lord and relies on His Spirit can thrive in any season.

#### What Matters Most

*In this brief description of the early church, we're reminded of what the church must prioritize in uncharted seasons . . .*

- Reverence - "Living in the fear of the Lord."
  - The daily, intentional choice of humble obedience in response to God's overwhelming power and love.
- Reliance - "Encouraged by the Holy Spirit."
  - Resting in God's comfort and trusting His exhortation.

*"As long as Christians live and worship in the Spirit, demonstrating changed, supernatural lives the church will always attract unbelievers."*

- Bruce B. Barton

**Key Question:** What will be said of Salem Heights Church when future generations reflect on this uncharted season?

## **Discussion Questions:**

1. Spend a few minutes reflecting on this morning's message? What stands out to you from Luke's description of the church in Acts 9:31?
2. As you consider the importance of reverence and reliance, what connection do you think these have with a church experiencing peace, strength, and growth?
3. Why is it important that we consider these characteristics personally? How can the evidence of reverence and reliance in our own lives be a testimony to those around us?
