The Goal of Discipleship

Colossians 1:9-14

Presented by
Pastor Pete Potloff
August 30, 2026

As you head out to Group Connect, remember. . .

- The goal of discipleship isn't knowing more about God; it's knowing Him more. (1:9-10)
- Spiritual transformation is a process that requires spiritual power. (1:11-14)
- The importance of prayer - *"We haven't stopped praying. . ." (v.9)*
 - God knows everything about you, so ask Him to reveal or remove anything that is standing in the way of knowing Him more!
