

# House Rituals

*A series of small rituals offered throughout the week, shaped around how we enjoy gathering at the table.*

## **Sunday — *Bring Your Own Bottle***

Sundays are for opening something special.

Corkage is waived for the day, inviting guests to enjoy their own bottle alongside the table.

*Minimum spend of \$100++ per table applies.*

## **Monday — *The Second Pour***

Because one is rarely enough.

Every second cocktail from our cocktail menu is enjoyed at **half the usual price**, encouraging the table to linger a little longer.

## **Tuesday — *Bottle to Bottle***

Wine is best shared.

Order two bottles of wine and enjoy **25% off the second bottle**, a chance to discover another label.

## **Wednesday — *On the House***

A small gesture from us.

For every two beers ordered, the third joins the table.

### **House Notes**

- Available for dine-in guests only. Minimum spend applies where stated.
- Reductions apply to the lower-priced item where applicable.
- Monday feature applies only to cocktails listed on our cocktail menu; bespoke cocktails are excluded.
- These rituals cannot be combined with other offers.
- Management reserves the right to amend the programme and its terms without prior notice.

*Selected cocktails and wines are offered at special pricing.  
12pm – 7pm daily.*
