CITRUS VALLEY ASSOCIATION OF REALTORS®

SUCCESS BY ASSOCIATION

Each year the Citrus Valley Association of REALTORS® honors an exceptional Industry Partner with the prestigious award of Industry Partner of the Year. The purpose of this award is to recognize a member of the Association who has provided outstanding service to the real estate profession and to the community through their membership in the Citrus Valley Association of REALTORS®. The Committee shall consider the following eligibility requirements and standards when selecting the Industry Partner-of-the-Year Recipient.

1. Nominee must be an Industry Partner member in a good standing of the Association.
2. Any Industry Partner or REALTOR® member may nominate one or more candidates as Industry Partner-of-the-Year; however, the final decision will be at the discretion of the Committee.
3. Past recipients are not eligible to receive the award.
4. In the opinion of the Committee, if there is no one deserving of the award, no award will be given.
5. The Committee shall consider three areas to determine the recipient of the high honor:
    a. Service to the Real Estate Profession: Consideration of significant contributions made to the real estate industry as well as examples of professionalism and ethical business practices.
    b. Local Association Activity: Consideration of leadership positions held (i.e. committee chair/member), special assignments, seminar and education work, support of association activities and events as a volunteer or sponsor, etc.
    c. Community Involvement/Civic Activity: Consideration of local state and national level participation in the civic and service clubs, charitable activities, political action, fraternal or religious groups, etc.

If you know of any Industry Partner member of the Association who is deserving of and qualifies for this prestigious award, please complete and return the nomination form to Nancy Oakley at the Association office or by email to: noakley@cvar.net.

Forms must be submitted on or before October 23, 2026.
