THE CENTERS

Need help with Medicare or Medicaid?

Understanding health coverage options can feel overwhelming, and you shouldn't have to figure it out alone. At The Centers, our team provides dedicated, one-on-one assistance to help individuals and families secure the healthcare coverage they need.

Our Services Include:

- ### Medicare Open Enrollment Support

  #### Open enrollment ends December 7, 2026

  Already have Medicare? We help current beneficiaries review their Annual Notice of Change, compare Medicare Advantage and Part D prescription drug plans, and make updates before the December 7 deadline.

- ### Medicaid Application Assistance

  #### Apply any time of year

  Need health coverage? For uninsured or uncovered individuals, we provide step-by-step guidance to check eligibility, gather required documents, and submit Medicaid applications year-round.

- ### Personalized Guidance

  #### The Centers is here for you

  Whether you are exploring coverage options for the first time or reviewing changes for the upcoming year, we walk you through every step of the process.
