THANK YOU FOR ATTENDING 60 YEARS OF RUGBY IN SEATTLE

OUR UNIQUE CLUB HISTORY.

What makes Seattle Rugby Club truly singular is that it isn't just one club — it's three. Founded in 1966, Seattle Rugby Club created partnerships over the decades with Old Puget Sound Beach and the Puget Sound Breakers, each bringing their own identity, championships, and generations of players. Through mergers, evolutions, and the kind of fierce loyalty only rugby people understand, these clubs didn't just coexist — they became one. The lineage runs deep: Pacific Northwest titles, National Championships, USA Eagles, a founding role in the Rugby Super League and in the creation of the current Major League Rugby.

Tonight, we celebrate 60 years of that shared story. Six decades of challenges, friendships forged, and a rugby community built in the Pacific Northwest that has no equal. Every player who ever wore any of these jerseys is part of this moment — and the best chapters are still ahead. **Learn more at www.seattle.rugby**

A Club funded PNW Focused Program

The Rugby Club is seeking funds to hire a dynamic Head of Rugby growth and long-term sustainability of rugby across the Pacific Northwest. This position works closely with the Board and local unions to execute strategic priorities.

KEY RESPONSIBILITIES

Game Development & Participation

- Build youth-to-senior participation through schools, clubs, and community programs
- Recruit and develop coaches, referees, and players at all levels

Community Engagement

- Serve as PNW rugby ambassador across schools, parks, and community groups
- Drive awareness through clinics, camps, and intro events

Revenue & Fundraising

- Secure sponsorships, grants, donor partnerships, and Heritage Club memberships

Operational Support

- Partner with the operations and leadership on strategy
- Support marketing and communications efforts

Key Focus Areas for this Role

- Increase youth & adult participation
- Strengthen PNW infrastructure
- Generate sustainable revenue
- Build strategic partnerships
- Long-term rugby growth in the PNW

WHAT SUCCESS LOOKS LIKE 3-YEAR GOALS

Significantly increased rugby participation across PNW

Established sustainable youth development pathways

Consistent revenue streams offsetting position cost

Strengthened long-term position of PNW Rugby

Rugby changes lives. It builds character, forges lifelong friendships, and creates a community that looks after its own. For decades, The Club has been doing exactly that — welcoming people in, pushing them to grow, and providing opportunities for our members. The Heritage Club exists to continue that mission..

As a Heritage Club member, you're not just supporting a team. You're investing in the coaches who show up every week, the players who find their footing here, and the community that forms around this game. You're making sure the next person who walks through our doors gets the same experience that changed someone you know.

That's what your support makes possible.
